## **DETAILED ACTION**

### ***Response to Amendment***

1. Applicant's amendment filed June 5, 2006, has been entered. Claims 1-4, 11-14, and 18-21 have been amended as requested. Claims 25-67 have been cancelled. Thus, the pending claims are 1-24.

2. Said amendment is sufficient to overcome the 112, 2<sup>nd</sup> rejection set forth in section 3 of the last Office Action. Additionally, said amendment is sufficient to withdraw the 102 and 103 rejections based upon Gasaway (US 3,642,516) as set forth in sections 5, 7, and 8 of the last Office Action. Specifically, applicant has amended independent claims 1, 11, and 18 with the limitation that the extruded film has a plurality of dispersed glass fibers incorporated therein. Gasaway fails to teach or suggest the addition of dispersed glass fibers within the resin film. As such, said amendment is sufficient to overcome the prior art rejections.

### ***Allowable Subject Matter***

3. An updated search of the prior art has been conducted. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. However, no new art was produced for which to base a rejection upon. The prior art fails to teach or fairly suggest a carpet comprising a tufted primary backing wherein said primary backing is a multilayered or composite backing comprising a glass fabric layer (or glass veil or glass mat) consolidated together with an extruded film having a plurality of dispersed glass fibers incorporated therein.

Art Unit: 1771

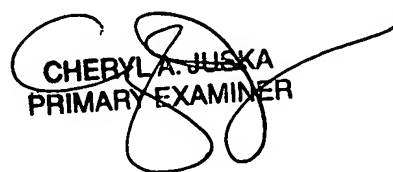

In particular, the prior art fails to teach the addition of glass fibers within a film layer of a primary backing. Therefore, claims 1-24 are in condition for allowance.

***Conclusion***

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
